

# Bin Collection guidelines

let's get it **sorted**  
Working together to waste less & recycle more

Each week 20,000 bins are emptied across Ballina Shire. Please follow these simple rules so we can collect your bin.

**1** Out before 5am

remove from the kerb on the same day of service

**2** Keep clear of vehicles

or trees and other objects

**3** Under 60kg

too heavy and bin can't be lifted

**4** Don't over fill

lids must fully close

**5** Place on kerb

maximum of 1m from edge of road seal and facing front

**6** 1 metre apart

place the bins at least 1 metre apart

**7** On flat ground

to prevent tipping over

**8** Current sticker

on commercial or rural bins

**9** Fill correctly

use Council's A-Z Waste Guide

If the truck is unable to collect your bin contents for any of these reasons, you may need to make other arrangements to transport your materials to the Waste Management Centre or wait until your next bin collection day.
