

YABBY TRAP ROUND-UP

Look out for this symbol at other events where you can drop your traps.

Swap your opera house yabby traps for an Oar-Gee Plow lure!

The Yabby Trap Round-Up is collecting all old and unwanted yabby traps to protect the future of fishing and the health of our waterways. The traps collected will be recycled into useful products for fishers, with the proceeds being used to support habitat restoration. As a thank you, we'll give you a new Oar-Gee lure.
