ATTACHMENT 1 to FORM 1(B) - REQUIREMENTS - HOME BUILDING ACT 1989

The following information is required to be submitted with an application for a construction certificate for proposed **residential building work** (within the meaning of the Home Building Act 1989). In addition to this information, you are also required to submit the relevant plans and documentation listed in the checklist of the development application.

Home Building Act Requirements

- a) in the case of work by a licensee under that Act:
- a statement detailing the licensee's name and contractor licence number, and
 - documentary evidence that the licensee has complied with the applicable requirements of that Act**, or
- b) in the case of work done by any other person:
- a statement detailing the person's name and owner-builder permit number, or
 - a declaration signed by the owner of the land, to the effect that the reasonable market cost of the labour and materials involved in the work is less than the amount prescribed for the purposes of the definition of **owner-builder work** in section 29 of that Act.
- ** A certificate purporting to be issued by an approved insurer under Part 6 of the Home Building Act 1989 to the effect that a person is the holder of an insurance contract issued for the purposes of that Part, is sufficient evidence that the person has complied with the requirements of that Part.

PLANS AND DOCUMENTATION

The following is a list of information that is required to be submitted with an application for a construction certificate for proposed **building works**:

Building Works:

- a) copies of compliance certificates relied upon; and
- b) **two (2) copies** of detailed plans and specifications (**at least 1 full set is to be of A3 size**).

The plan for the building must be drawn to a suitable scale and consist of a general plan and a block plan.
The general plan of the building is to:

- show a plan of each floor section;
- show a plan of each elevation of the building;
- show the levels of the lowest floor and of any yard or unbuilt on area belonging to that floor and the levels of the adjacent ground;
- indicate the height, design, construction and provisions for fire safety and fire resistance (if any);
- a wind bracing and tie down layout.

Building Works involving Alterations or Additions or Rebuilding:

The plan is to be cross-hatched or otherwise marked to the satisfaction of the certifying authority to adequately distinguish the proposed alteration, addition or rebuilding.

Building Works involving Modification to Previously Approved Plans:

The plan is to be cross-hatched or otherwise marked to the satisfaction of the certifying authority to adequately distinguish the proposed modification.

The Specification is:

- to describe the construction and materials of which the building is to be built and the method of drainage, sewerage and water supply; and
 - state whether the materials proposed to be used are new or second hand and give particulars of any second-hand materials used.
- c) where the application involves an alternative solution to meet the performance requirements of the BCA, the application must also be accompanied by:
- details of the performance requirements that the alternative solution is intended to meet, and
 - details of the assessment methods used to establish compliance with those performance requirements.
- d) evidence of any accredited component, process or design sought to be relied upon;
- e) except in the case of an application for, or in respect of a Class 1a (dwelling) or Class 10 building (garage):
- a list of any fire safety measures that are proposed to be implemented in the building or on the land on which the building is situated, and
 - if the application relates to a proposal to carry out any alteration or rebuilding of, or addition to an existing building, a separate list of such of those measures as are currently implemented in the building or on the land on which the building is situated.

IT IS EXTREMELY IMPORTANT THAT ALL OF THE RELEVANT SECTIONS OF THE APPLICATION FORM ARE COMPLETED. THIS WILL ENABLE COUNCIL TO DETERMINE THE APPLICATION PROMPTLY.
