Reasons for Exemption from Pool Fence Requirements

Note: For an exemption to be granted Council must be satisfied that:

- 1) it is impractical or unreasonable for the swimming pool to comply with Part 2, and
- 2) alternative provision, no less effective than these requirements, exists for restricting access to the swimming pool.

State reasons exemption is being requested:

- In order for the application to be assessed a detailed scaled plan must be submitted. Such plan shall show the location of the swimming pool, the location and height of existing and proposed barriers, and any existing structures.

The applicant is entitled to appeal to the Land and Environment Court against Ballina Shire Council's refusal of this application. A failure of Ballina Shire Council to determine the application within 6 weeks after it is made, is taken, for the purpose of any such appeal, to be a refusal of this application (Clause 12 - Swimming Pools Regulation 2008).
