- Assess the level of benefit that the project or service will have on the community or on disadvantaged groups within the community.
- Assess the number of proposed beneficiaries from the proposed project or service.
- Where the project has a smaller number of proposed beneficiaries, consider the relative disadvantage of that group of people (eg; low income, youth, disability, etc).
- Consider the availability of other funding sources.
- Consider the equity of support to other groups across the local government area.
- Assess how the project will achieve an outcome linked to Council's Community Strategic Plan which can be found online at ***ballina.nsw.gov.au***
- Only one application per community group or organisations will be considered per financial year.

### **Assessment Process**

- 3 Following adoption of the Operational Plan Council will appoint a minimum of three Councillors to a committee, with each ward represented.
- 4 The committee will consider all submissions and recommend to the next ordinary meeting of Council a distribution of the available funds. It is not incumbent upon the committee or Council to donate any or all of the funds.
- 5 Following Council's determination successful and non-successful applicants will be advised and arrangements made to forward the donation.
- 6 Council will require certification and acquittal detailing the manner in which funds have been expended and a brief description of outcomes.

- 7 Any application received from organisations following the completion of this process will be advised of Council's Policy and invited to apply in the following year, subject to point eight.
