Top of Lennox headland
(follow signs from Pat Morton Lookout)

Bring:

Sun protection, gardening gloves,
drinking water and tools (if owned)
Please wear closed shoes / boots

*BBQ and refreshments will be
provided for volunteers to refuel*

Background

Now in its 17th year, this popular community event continues its goal of reinstating the Lennox headland back to the way it was in the 1880's and, through the planting of littoral rainforest species, creating a lasting natural legacy for generations to come.

As illustrated in the map, a large area has been planted since the event's inception in 2003, but there is still a lot more work to be done!
