## Mayoral message

It is my privilege to deliver the Mayoral Message for the year ending June 2011. As I spend more and more time as Mayor I am continually gaining a greater appreciation of the depth and breadth of issues that we, as your local council, have to consider and the array of services provided to our community.

Topics for consideration can range from vastly complex matters such as flood plain modelling and new local environmental plans to smaller localised issues such as potholes and trees. What is important to recognise is that no matter whether the matter is complex or minor it is always important to ensure that the right decision is made on the behalf of our community.

Sometimes what is right can vary dependent on your own views and in my opinion, the elected Councillors, as your representatives, have worked extremely well together to ensure that everyone's opinion is heard, considered, with an informed decision then being made.

In looking back on 2010/11 some of the achievements I have found most satisfying include:

- on-going improvements to the Wardell and Alstonville town centres
- opening of the Lennox Head Cultural and Community Centre, with the new library being particularly well utlised
- acceptance of a \$45 million contract to provide expanded and improvement sewer treatment facilities to Ballina and Lennox Head. Our entire community will benefit from this work which will also provide significant environmental improvements
- completion of the new Ballina synthetic hockey field
- purchase of land for the expansion of sporting fields at Lennox Head and Wollongbar.
- finalisation of our integrated waste management strategy which has led to the introduction of a green waste service
- the advancement of major planning projects such as the new shire wide Local Environmental Plan, the Ballina Flood Study and the Coastal Hazard Study. These documents are integral to the long term planning for our shire.

This is only a small sample of the types of activities Council undertakes and I'm sure that as you read through the Annual Report you will be impressed with the depth and breadth of services and infrastructure that have been delivered to the community during 2010/11.

I acknowledge that this is a combined result from the efforts of Councillors and staff and I am confident of our continued professional and dedicated commitment to the community of Ballina Shire.

I hope you enjoy reading our Annual Report.

Pullph. a.

Cr Phillip Silver Mayor

#### Acknowledgement of Country

Ballina Shire Council acknowledges that we are here on the land of the Bundjalung people. The Bundjalung are the traditional owners of this land and are part of the oldest surviving continuous culture in the world.

## **Ballina Shire profile**

## location

Ballina Shire is ideally located on the New South Wales Far-North Coast, two hours south of Brisbane, and a one-hour flight from Sydney. The shire, an area of 484 square kilometres, is set amongst a picturesque rural-coastal landscape and enjoys a temperate to mild subtropical climate.

## history

Ballina Shire is located in Bundjalung Aboriginal country. Its rich hunting and fishing grounds have long been utilised by the Bundjalung people. The presence of both physical and spiritual sites remains testimony to the early ceremonial and religious life that was integral to the Bundjalung people.

European settlement of the lower Richmond River started with its 'discovery' in 1828 by Captain Rous. Settlement began in the early 1840's with the 'timber-getters' who came in search of cedar. As the forests were cleared the land was turned to agriculture, mainly sugarcane in the low lying coastal plain, while the richer soils of the Alstonville Plateau were turned to maize cropping and then to dairy farming in the late 1870's. Dairy farming became the mainstay of plateau agriculture but dwindled from the 1970's when it was replaced by beef production, followed then by subtropical fruit and nut cropping.

### today

The shire's resident population is approximately 43,200, with Ballina being the major centre servicing a number of smaller villages. The region is characterised by a dispersion of towns, villages and residential hamlets including Teven, Tintenbar and Knockrow. Ballina Shire also features the major townships of Alstonville, Lennox Head, Wollongbar and Wardell.

Ballina Shire boasts strong tourism, agricultural and fishing industries, supported by a growing commercial centre with modern shopping complexes and an extensive range of community, sporting and social facilities. These characteristics, combined with a superb coastal and rural lifestyle, make Ballina Shire an attractive place to live, work and retire.

Much of the shire's rural landscape yields a wide array of agricultural produce including sugar, macadamia nuts, coffee, dairy, beef, avocado and stone fruit. Local produce can be sourced directly from the grower, village markets through to larger supermarkets. Various local growers also channel their produce to viable and lucrative export markets.

Visitors to our region are charmed by the natural beauty of our coastline and hinterland, and are enthralled by our playground of adventure pursuits and attractions. Our abundance of facilities and attractions are guaranteed to comfortably accommodate our domestic and overseas visitors alike.

## How to be involved...

### TALK TO YOUR COUNCILLORS

The Councillors are here to represent your views. For the most current contact information please refer to Council's website.

### **COUNCIL MEETINGS**

Council and Committee Meetings are held at Council's Customer Service Centre (cnr Tamar and Cherry Streets, Ballina). Ordinary Council Meetings are held on the fourth Thursday of each month commencing at 9.00 am. You can participate in the Council Meetings by:

- making a deputation on an agenda item. Deputations are provided 5 minutes to address Council, and are
  limited to one speaker in the affirmative and one in the negative. Deputation requests must be lodged with
  the General Manager by noon on the day before the meeting. Deputations are held at 9.00am.
- you may also ask questions during Public Question Time, this is normally conducted at 12.45pm.

### AVAILABILITY OF BUSINESS PAPERS

Business papers are available on the Monday before the Council meeting at *Council's Community Access Points:* 

- Council's Customer Service Centre
- Alstonville, Ballina and Lennox Head Libraries
- Ballina Community Services Centre
- Wardell Community Centre
- Council's website www.ballina.nsw.gov.au

#### **STANDING COMMITTEES**

Council has four Standing Committees which comprise the whole elected Council:

#### **Civil Committee**

Considers strategic and policy matters related to the objectives and functions of the Civil Services Group.

#### Environmental and Sustainability Committee

Considers land use planning matters of a strategic and regulatory nature.

#### Finance Committee

Considers financial matters including Council's annual budget deliberations.

#### **Reserve Trust**

Considers crown land matters where Council is the appointed Trust Manager.

### SPECIAL INTEREST COMMITTEES

Council has **four Special Interest Committees.** The Airport, Commercial Services and Facilities Committees have all Councillors in their membership. The Local Traffic Committee, is represented by one Council staff delegate and three external agencies (Police, RTA, and the Local State Member or their representative):

## Airport Committee

Considers matters of a strategic nature for the Ballina Byron Gateway Airport including, but is not limited to, long term financial plans, capital works and master plans for the facility.

#### **Commercial Services Committee**

Introduces, evaluates and reviews the commercial dealings and operations of Council, with the long term aim of providing supplementary revenue streams to assist Council's service delivery to the community.

#### Facilities Committee

Provides strategic input into major community facilities, focusing on the nature of the services to be provided and the style and design of the building to ensure it meets community requirements.

#### Local Traffic Committee

This Committee is a requirement of Council's statutory obligations as delegated by the Roads and Traffic Authority under the *Roads Act 1993*. This Committee considers the technical aspects of proposals and makes recommendations to the elected Council. The public perspective is the responsibility of the elected Council and residents' views are considered by Council rather than the Local Traffic Committee.

#### **ADVISORY COMMITTEES**

Advisory Committees include members of our community and provide feedback to Council:

### A, B and C Ward Committees

Ward Committees provide Council with feedback and policy advice on matters referred by Council and/or raised by members on behalf of their community.

#### Northern Rivers Community Gallery

Provide community input into strategic planning, policies, fee structure and exhibition programming, and advocacy to raise community awareness of the Gallery.

#### Ballina Bypass Ready Taskforce

Provide input and feedback to local businesses, Council and the broader community on opportunities to maximise the advantages of the bypass opening.

#### **COUNCIL NEWS AND INFORMATION**

At Ballina Shire Council we aim to better inform our community about Council's activities, we do this through a number of avenues:

**Council Notices** which are published weekly in the Ballina Shire Advocate (and on occasions in the Northern Star).

Community Notices which are published in the Advocate on the fourth Thursday of the month.

Media releases, general advertisements and documents on exhibition are available under the Noticeboard banner on Council's website.

Mayoral column which is published in the Advocate on the first week of the month.

**Community Connect Newsletter** which is distributed to all residents throughout the year and can be downloaded from Council's website.

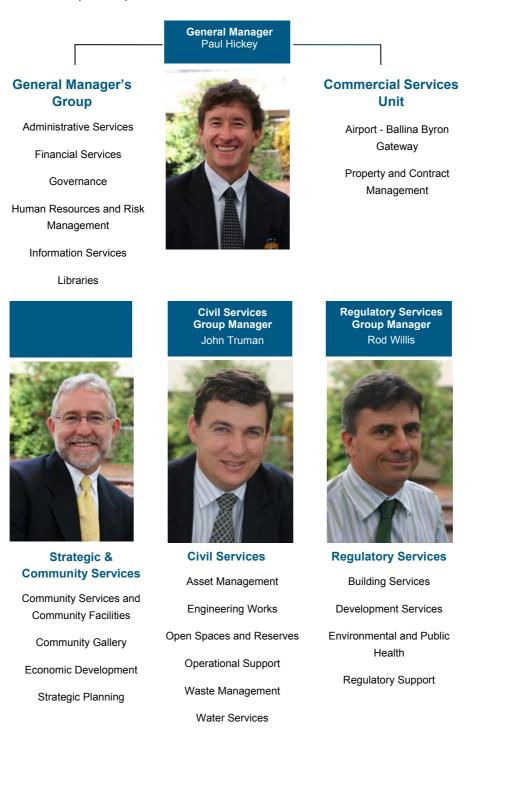

**Community Connect eNews** is a monthly newsletter distributed to subscribers via email. It includes key decisions from the monthly council meetings, documents on exhibition and other items of general interest. To subscribe visit Council's website www.ballina.nsw.gov.au

## Organisational structure

### LGA s332

The Council approved organisation structure comprises four groups, namely, General Manager's, Regulatory Services, Strategic & Community Services and Civil Services. Council also has a Commercial Services Unit whose role is to generate non-standard commercial revenues for Council and manage our property portfolio.

The Group Managers, together with the General Manager, form the Senior Management Team. This team oversees the day-today operations of Council and provides professional advice to the elected Council.

## Integrated Planning & Reporting

### LGA s428(1)(2)

The **Community Strategic Plan (CSP)** forms part of the Division of Local Government's (DLG) Integrated Planning and Reporting framework and is the highest level document that a council prepares. The Community Strategic Plan identifies **eight key objectives**:

### A built environment contributing to health and wellbeing

We want a built environment that we can be proud of and enjoy being in. We want it to contribute to our ability do the things we want to do and to our sense of community. We are part of the "region of villages" and want our villages to continue to grow in character and be identifiable as distinctive places. Defined communities with individual character help create places that we can be proud of and feel part of. Our built environment also needs to reflect both our heritage and our aspirations for the future. We want our built environment to meet our needs but not at the expense of our environment or the people who live and work here.

## A diverse and prosperous economy

We want our economy to be adaptable, profitable, and made up of many different types of businesses and industries. We want our young people to be able to find meaningful work here and for our older people to have opportunities for both work and for contributing their knowledge and experience. We want our businesses to be good at what they do, how they interact with each other and with the community, and how they manage their social and environmental responsibilities as well as their financial bottom line. As a local economy, and as participants in wider economies, we will face significant risks over the next 20 years. We will have to find local solutions as well as contribute to broader solutions.

### A healthy natural environment

In 2025 we would like all aspects of our natural environment to be healthy. This includes natural habitat areas, waterways and beaches, as well as natural places within our urban environment. This vision is about recognising that we live in a beautiful place with many natural assets. We wish for the people in 2025 that they have a healthy natural environment: something valuable in itself and for the benefits and enjoyment the community will get from it.

### Diverse and balanced use of our land

Our vision is for a mix of land uses that complement each other, are appropriate to their location, and contribute to community wellbeing over the long-term. We recognise that in 2025 the economic viability of various types of land use will be different from what it is now, and we need to maintain our capacity to adapt, balance the trade-offs and resolve conflict effectively. It is important to us that we maintain our villages as distinct places. We also want a sense of openness. In other areas we want a vibrant, urban diversity.

## People attaining health and wellbeing

We understand "healthy" to include physical, mental, spiritual and emotional health and recognise that all of these aspects of health are dependent on each other. We also want people to have the opportunity to experience wellbeing: that is they feel a sense of belonging, of being valued, of being able to contribute and deal with life's challenges.

### **Resilient and adaptable communities**

We want to be a healthy community, one that our young people want to stay part of, that our older people feel useful in and that newcomers and people of diverse views feel welcome.

### **Responsible and efficient use of resources**

Our vision is that we achieve greater efficiencies in our use of resources, regardless of where we get them from, and be responsible for our use of them. We will look for ways to generate more of the resources we need locally and to lessen the negative environmental and social impacts that can result from resource generation and use.

### Transparent and accountable governance

Our vision is for a community that has confidence in its elected representatives, its Council, and its organisations. We want there to continue to be opportunities to participate in decision-making beyond going to the ballot box. We want there to be opportunities to engage with each other and to be confident that our community organisations are being run fairly and honestly. We want there to be widespread experience in being part of community and local government governance so that we can support each other when difficult decisions have to be made.

The suite of documents that form the integrated planning and reporting framework consist of the following:

- 10-year Community Strategic Plan outlines our broad vision and objectives for the future
- 4-year Delivery Program, accompanied by a full budget, details exactly what we will do to implement the CSP
- 1-year Operational Plan records specific activities and expenditure for each year
- Annual Report outlines what we have achieved each year and the progress in implementing the Delivery Program and CSP.

In accordance with the Integrated Planning and Reporting requirements progress reports must be provided to Council at least every 6 months. At Ballina Shire Council we present quarterly reviews to Council. This monitoring mechanism provides a snapshot of accomplishments and any shortfalls in achieving Council's goals and priorities. Our **major achievements for 2010/11** are highlighted over page:

The Delivery Program Final Quarter Report for 2010/2011 is attached as Appendix 1. This report provides actual results against the goals and priorities set out in the Delivery Program and the Operational Plan for the quarter ending June 2011. This information is also linked to the CSP Objectives. The traffic light indicators provide a picture of whether or not programmed actions and service delivery targets have been achieved. Commentary is also provided on project progress and any shortfalls.

### LGA s428A

Council achieved the following State of the Environment (SoE) Objectives in delivering the Community Strategic Plan (CSP):

## A healthy natural environment

Delivery Plan Action	Progress
	<b>Lennox Headland Master Plan</b> substantial planting and weed management have occurred on the Headland. Infrastructure works as funding is available, including the construction of the Pat Morton stairs.
Continue bushland regeneration work	<b>Provision of off-road vehicles beach access</b> - Beach access points finalised. Permit system, Code of Conduct and signage in place. Brochure and Council website promote 'Code of Conduct' for beach vehicle access.
Continue businanti regeneration work	<b>Protection and stabilisation of coastal dunes</b> at Lake Ainsworth. Installation of dune stabilisation fencing, hardened beach access tracks and native plantings established. Recent storm damage to paths and fencing has meant work is ongoing.
	<b>Bitou Bush Threat Abatement Plan</b> (TAP) 8 sites under active management, 5 sites in 4th year, 3 sites 3rd year. Initial work by BSC Regeneration Team. Continues to be maintained by private contractor for the eight sites
Continue inspections of all on site sewage management systems to ensure systems are compliant	Inspected OSSM at 265 premises. The <b>OSSMS inspection program</b> for the Emigrant Creek catchment finalised. During the program 159 of the 255 land parcels were inspected representing about 63% of the total. OSSM is still an ongoing issue with 50-60% failure rate, this is consistent with other years and other LG Areas.
Improve overall health of the Richmond River	Completed the <b>Coastal Zone Management Study and Plan</b> for the Richmond River Estuary which provides a strategic approach in addressing estuary issues and plans for improved estuary health and resilience. All constituent Council's have adopted the draft plan which now awaits Minister certification.
	In regards to Sewage Treatment Plant performance there were 7 failures or overflows.
Incorporate "green" technology into Council's business practices	<b>Installation of Solar Power Systems</b> - Council has installed solar power systems on the Badina Community Services Centre, Ballina Library, Ballina Waste Facility and the Alstonville Leisure and Community Centre. At each site the 10kw systems will, on average, generate between 41 and 62 kilowatts of electricity per day. This will save between 15 and 23 tonnes of greenhouse gas emissions (equivalent CO2) per site per year.
Increase level of endemic species in Council infrastructure	<b>Council's nursery propagates</b> many of the plants used for Council's planting projects. The total number of plants provided for Council plantings was 3,165 with 43% identified as endemic to the Ballina Shire.
Increase level of Urban Vegetation within Council infrastructure and property to enhance overall amenity	<b>Council undertook two large plantings projects.</b> With 761 plantings at Lennox Head Community Centre and 1,232 at Alstonville Freeborne Park. Around 34% are endemic species with the reminder being Australian natives.
Progress implementation of Urban Water Management Strategy to maximise the use of water and wastewater resources and provide optimal environmental outcomes	<b>Dual water supply</b> systems will be implemented for major new residential developments in the shire with the aim of reducing fresh water demand by giving residents the ability to use two different types of water. Each property is supplied with two separately metered water supplies one of which provides reclaimed water and the potable water. Design work is currently underway for the distribution and storage of recycled water reticulation to the parts of Lennox Head and Ballina.
Provide contemporary stormwater management and infrastructure to minimise environmental impacts	As part of the <b>Stormwater Asset Management Plan</b> Council is in the process of electronically updating stormwater assets records (eg SQUIDS, gross pollutant traps) so they are adequately maintained or updated. Currently 5.89% of the shire's stormwater inlet points have, or may be linked to some from of pollution protection.

Delivery Plan Action	Progress
Complete and implement Climate Change Adaptation and Mitigation Strategy	A draft of the <b>Climate Action Strategy</b> is now complete and is currently being reviewed by Council staff and the executive.

## Transparent and accountable governance

Delivery Plan Action	Progress
Implement Council Waste Strategy to maximise waste minimisation opportunities and to extend life of	The <b>total waste generated at the Ballina Waste Facility</b> in the last financial year was 40,271.tonnes or 940kg per person. The percentage of waste diverted from landfill equalled 12,458 tonnes with an additional 7,080 tonnes reused on site. Around 20,733 tonnes of waste was sent to the landfill.
landfill	A <b>weekly organic waste collection service</b> has now commenced in Ballina Shire. It is expected that this service will divert around 70 tonnes of waste per week from landfill.

## Audited financial reports

### LGA s428(4)(a) LG Code of Accounting Practice & Financial Reporting

Ballina Shire Council places ongoing emphasis on prudent financial management. Thomas, Noble and Russell Chartered Accountants audit Council's financial records.

A full set of financial reports, including the auditor's report, for the period 1 July 2010 to 30 June 2011 is attached as a separate document to the Annual Report. It is freely available on Council's website **www.ballina.nsw.gov.au** 

## **Overseas visits**

### LGA REG cl 217(1)(a)

Ballina Shire maintains a sister city relationship with Ballina, County of Mayo in Ireland as well as Mata Mata in New Zealand. However, Councillors and staff were not involved in any exchange projects necessitating overseas travel during the year.

## Councillor expenses and provision of facilities

### REG cl 217(1)(a1)

The total mayoral and councillor fees for the reporting period were \$299,821. Council's Civic Office Expenses and Facilities Policy allows for the payment of appropriate and reasonable expenses and the provision of facilities to assist Councillors in discharging their roles as elected persons and members of the governing body of the Council. Expenditure outlined in the table (excl GST) below is in accordance with **Council's Councillor Expenses & Facilities Policy (Appendix 4)**.

## Delegated external bodies

## REG cl 217 (1)(a6)

### **County Councils**

During the year, Ballina Shire Council was a constituent member of the following County Councils that exercised functions on its behalf.

Organisation	Delegation
Rous County Council	Water Supply
Far North Coast County Council	Noxious Weeds Control
Richmond River County Council	Flood Mitigation

### **Other Groups**

Council has formal arrangements with several local management groups that have authority for the care, control and management of reserves, surf clubs, halls, sporting facilities, pre-schools, cultural facilities and youth centres. Licenses are reviewed within twelve months of each Local Government general election. A list of these committees together with general license conditions is available from Council's Customer Service Centre.

## Controlling interest in companies

### REG cl 217 (1)(a7)

Council held no controlling interests in any company for the period 1 July 2010 to 30 June 2011.

## Corporations, partnerships, cooperatives and joint ventures

### REG cl 217 (1)(a8)

Council was party to the following partnerships, cooperatives and joint ventures:

- Statewide Mutual pooling arrangement with various NSW local government authorities to acquire insurance coverage and best practice systems for risk management.
- Richmond-Tweed Regional Library a jointly funded relationship with other Councils in the Richmond-Tweed to provide library services throughout the region.
- North East Weight of Loads Groups (NEWLOG) enforces vehicle weight limits, to reduce damage to council classified roads and thus decrease road maintenance costs.
- North East Waste Forum (NEWF) this cooperative pursues effective disposal of waste on a local and regional basis. This
  group operates in lieu of a Regional Waste Council under NSW Legislation.

## Equal employment opportunity

### REG cl 217(1)(a9)

The annual review of Council's Equal Employment Opportunity Plan and Policy was undertaken which incorporated a review of Council's recruitment and selection, training and development and grievance procedures to ensure that Council was achieving its EEO targets.

Council is audited annually by Department of Family and Community Service (FASCIA). We have maintained our accreditation to employ individuals with low to medium disability support needs. A strong focus of this audit is to ensure that Council's EEO Policies and procedures are adhered to and that we promote a discriminatory free workplace with equal access to training and development and opportunities. Council is proud of its continued accreditation and excellent results achieved through this audit process.

Council continues to provide employment and career opportunities for minority groups. We have a strong focus of employing trainees and apprentices to provide our youth with an opportunity to gain skills and qualifications to assist them in their careers. We also provide a range of support mechanisms including the implementation of mentoring program, provision of EEO / bullying and harassment training and we actively participate in International Women's Day and NAIDOC celebrations.

Senior management celebrated the Year of Women in Local Government in 2010 by providing a morning tea and small gift to female staff members in recognition of the contribution that they make to Local Government.

## Senior staff remuneration

### REG cl 217(1)(b) & (c)

The number of staff designated as Senior Staff employed by Ballina Shire Council under the Local Government Act 1993 is three. All Senior Staff are employed under five year performance based contracts. The total value of the remuneration package paid to senior staff was \$575,735 for the 2010/11 financial year.

Total remuneration packages for each senior staff member for the reporting period:

General Manager - \$193,936

Civil Services Group Manager - \$180,014

Regulatory Services Group Manager - \$173,374 (plus additional employer superannuation \$28,411).

This remuneration figure includes the salary component, performance payments other than salary, super contribution (employer or salary sacrifice contributions), non-cash benefits and FBT for non-cash benefits for the Senior Staff.

## Coastal protection services

### REG cl 217(1)(e1)

Ballina Shire Council applied no annual charge for coastal protection services during the reporting period.

The coastal protection works provided and coordinated by Council included the formation of rock walls, groynes and importation of sand. Volunteers erected dune forming shadecloth fences and planted natives to assist in sand accretion at several dune locations along the shire's coastline.

## Stormwater levy and services

## Enforcement and compliance with Companion Animals Act

### REG cl 217(1)(f) & Companion Animals Act 1998

### Lodgement of pound collection data with Division of Local Government (DLG)

Animal Shelter collection data for the reporting period was lodged with the Department in September 2011.

Summary of Pound Data for 2010/2011	Cats	Dogs	Total
Seized & Transferred to Council's Facility	22	141	163
Dumped	3	25	28
Surrendered by Owners	2	27	29

Stolen or Escaped from Council's Facility	1	0	1

### Lodgement of data relating to dog attacks with DLG

Council notifies the Department within 72-hours where possible when council officers have investigated complaints of dog attacks. Twenty nine (29) attacks were reported and investigated for the year.

Additionally, for the 2010/2011 reporting year Council investigated ninety six (96) complaints regarding an alleged dog attack either on a person and/or animal.

#### Animal management/activities expenditure

Expenditure for animal management/activities including wages, cleaning of animal shelter and maintenance of animal shelter, veterinary expenses totalled approximately \$177,500 for 2010/2011.

#### Companion animal & desexing community education programs

Council belongs to a regional companion animal compliance committee, and in conjunction with this committee has released educational DVDs and brochures. These promotional products are made available to those adopting pets from the animal shelter and at various functions such as 'Adopt a Pet' days. Rangers give presentations to local service groups on the ranger's role and companion animal management. Council regularly advertises requirements of the legislation and general education on good companion animal management in the local media and in Councils newsletter. Council's website on Companion Animals has been recently reviewed and updated.

#### Strategies to comply with s64(5) - euthanasia alternatives for unclaimed animals

Council works with local animal rescue organisation in particular the Northern Rivers Animal Shelter to rehome dogs and cats. During 2010/2011, thirty five (35) dogs and ten (10) cats were rehomed from Councils animal shelter.

Council does however promote to the community that they should contact an animal rescue organisation to discuss the rehoming of their companion animal prior to surrendering an animal to the Council animal shelter.

#### **Companion Animals Management Plan**

Council adopted the Companion Animals Management Plan in July 2010 which outlines its approach to fulfilling responsibilities under the NSW Companion Animals Act.

Council is aware how important pets, particularly dogs and cats, are to many people and this plan aims to work with the community to promote responsible dog and cat ownership and to provide a healthy environment in which animals, their owners and the wider community can comfortably live.

The Management Plan also details the areas where dogs can be exercised off-leash and areas where dogs are prohibited.

In order for Council to achieve the objectives of the Companion Animals Management Plan a series of Action Plans accompany the Plan. These Action Plans outline the implementation strategy of the Plan and the measures that will be used to assess the effectiveness of its implementation.

As part of the action plans new procedures and processes have been implemented for;

- Barking Dogs
- Roaming Dogs
- Dangerous Dog Management
- Dog Attack Investigation
- Animal Release Procedure from Animal Shelter

Council has also implemented a Companion Animal Review Panel and the purpose of this panel is;

- To determine appropriate course of action following a dog attack complaint and initial investigation by Rangers
- To protect public interest and the safety of the community
- To prevent further attacks and/or inappropriate dog management.

Council understands the joy people get from owning companion animals and are trying to find a balance that suits the entire community.

The Companion Animal Management Plan can be viewed on Council's website **www.ballina.nsw.gov.au** for further detailed information.

#### Off-leash dog areas

Council recognises the importance under the Companion Animal Management Plan of dogs being allowed time to exercise unrestrained and as such provides six (6) full time off -leash dog exercise areas in the shire.

- Bicentennial Gardens, the northern area of reserve, Ballina
- Compton Drive, East Ballina
- Gap Road, Alstonville
- Seven Mile Beach, north of Lake Ainsworth Reserve (old 4WD access point), Lennox Head
- Ballina Heights Estate, eastern reserve area, Ballina Heights
- Headlands Drive Drainage Reserve, Skennars Head

#### Dog prohibited areas

Council also provides beaches and places where dogs are not permitted to enable people to visit and enjoy these places where dogs are not permitted and avoid the undesired interaction.

- Lighthouse beach
- Shelly Beach
- Flat Rock Reef
- Sharpes Beach (when surf life saving services are provided)
- Seven Mile Beach (south of the old 4WD access point)
- Chickiba Lake, north/eastern corner surrounding the bird migratory area

Under the Act dogs are not permitted in certain public places and Council also monitors these areas for non compliance.

#### Companion Animals fund expended as per s85(1A)

Council received \$17,012 from the Companion Animals Fund for the 2010/2011 year. These funds were used for companion animal management, education programs, the maintenance and upkeep of Council's Animal Shelter and towards the wages of Rangers.

# **BALLINA SHIRE COUNCIL**

# SPECIAL SCHEDULE NO 7 - CONDITION OF PUBLIC WORKS (cont) as at 30th June 2011

## "SATISFACTORY" CONDITION OF PUBLIC ASSETS

In assessing the condition of Public Assets Council has had regard to the condition, function and location of each asset, based on the original design standard. Changes in standards or proposed or potential enhancements to the existing asset design standard have been ignored. Assets within each Asset Category have been assessed on an overall basis, recognising that an average standard of "satisfactory" may be achieved even though certain assets may be above or below that standard on an individual basis.

Council recognises that the standard that it considers to be "satisfactory" may be different from that adopted by other Councils.

The information contained in this Schedule comprises accounting estimates formulated in accordance with the NSW Local Government Code of Accounting Practice and Financial Reporting. Nothing contained within this Schedule may be taken to be an admission of any liability to any person under any circumstance.

## ASSET CONDITION

The following condition codes have been used in this Schedule.

- 1 Newly constructed
- 2 Over 5 years old but fully maintained in "as new" condition
- **3** Good condition
- 4 Average condition
- 5 Partly worn beyond 50% of economic life.
- 6 Worn but serviceable
- 7 Poor replacement required

#### **PART 1 - INTRODUCTION**

### OBJECTIVE

The objective of this policy is to ensure that there is accountability and transparency in the reimbursement of reasonable and appropriate expenses incurred or to be incurred by Councillors in the performance of their role.

The policy also ensures that a range of facilities are provided to Councillors to assist in discharging the function of civic office.

#### BACKGROUND

In accordance with the Local Government Act (LGA s.252) a council is required to adopt a policy concerning the payment of expenses incurred by, and the provision of facilities to, the Councillors in relation to their roles as elected persons and members of the governing body of the Council. This policy complies with the LGA.

The LGA (s.428(2)(f)) requires councils to include in their annual report a copy of this policy. This information must be submitted to the Department of Local Government by 30 November each year.

#### DEFINITIONS

In the Councillor Expenses and Facilities Policy the following definitions apply:

Council	Ballina Shire Council					
Policy	Councillor Expenses & Facilities Policy					
LGA	Local Government Act 1993 (NSW)					
ΑΤΟ	Australian Taxation Office					
DLG	Division of Local Government					
Region	The region encompasses the Richmond, Tweed and Clarence Valleys (i.e. Kyogle, Tweed, Byron, Lismore, Ballina, Richmond and Clarence council areas)					

#### SCOPE OF POLICY

The Councillor Expenses and Facilities Policy applies to Councillors.

#### **RELATED DOCUMENTATION**

This policy has been prepared with reference to the following publications:

- Council's Code of Conduct
- Council's Councillor Training and Development Policy
- Local Government Act 1993 (NSW)
- DLG Circulars:
  - o 08/62 Councillor Induction & Professional Development Guide
  - 08/24 Misuse of Council Resources
  - 09/36 DLG Revised Guidelines for the Payment of Expenses and Provision of Facilities for Mayors and Councillors for Local Councils in NSW (October 2009)
- ICAC Publication No Excuse for Misuse, preventing the misuse of Council resources

Page 1 of 9

As a minimum this Policy should be read in conjunction with

- Council's Code of Conduct
- Council's Councillor Training and Development Policy

#### APPROVAL ARRANGEMENTS

The General Manager, in consultation with the Mayor, is responsible for authorising the payment of expenses or the provision of facilities in accordance with this policy. If agreement cannot be reached on any particular matter the matter will be reported to Council for determination.

## PART 2 - PAYMENT OF EXPENSES

#### 2.1 GENERAL PROVISIONS

#### 2.1.1 Payment of Expenses Generally

Councillors must provide a certified claim in the form provided by the General Manager for all travel and out of pocket expenses incurred.

Payment will only be made for expenses covered under this policy that are accompanied by appropriate tax invoices and receipts. To ensure claims are submitted promptly and accurately any claims submitted in excess of three months of the time of expenditure will not be approved.

#### 2.1.2 Establishment of Monetary Limits and Standards

The following limits will apply in the operation of this policy:

#### Accommodation and Meals

The maximum payable for accommodation and meals will be the maximum reasonable travel and meal expense amounts determined by the ATO (refer Taxation Determination TD 2010/19). The current rates are:

Place	Accommodation \$	Food and Drink	Incidentals \$	Total \$
		\$	Ŧ	-
Adelaide	209.00	130.00	24.05	363.05
Brisbane	236.00	130.00	24.05	390.05
Canberra	230.00	130.00	24.05	384.05
Darwin	265.00	130.00	24.05	419.05
Hobart	195.00	130.00	24.05	349.05
Melbourne	265.00	130.00	24.05	419.05
Perth	275.00	130.00	24.05	429.05
Sydney	265.00	130.00	24.05	419.05
Country	190.00	130.00	24.05	344.05

(1) This figure is dissected between - breakfast \$27, lunch \$38, dinner \$65.00. Overexpenditure for one meal can be offset by under-expenditure for another.

Page 2 of 9

#### Travel

The reimbursement rate for use of a Councillors' vehicle shall be in accordance with the rates issued by the ATO each year using the cents per kilometre method. The current rates are:

63 cents per km	vehicle capacity up to 1600cc
74 cents per km	vehicle capacity 1601 - 2600 cc
75 cents per km	vehicle capacity over 2601 cc

This reimbursement will be considered to cover all costs associated with the vehicle use, including tyres, insurance, repairs, petrol, oil and associated incidental costs.

#### Telephone/Internet

Councillors will be reimbursed for Council related telephone call charges, for a Council approved phone line, and /or internet service provider fees for Council related business, up to a combined maximum figure of \$80 per calendar month, upon receipt of a copy of the tax invoice(s) and a declaration by that Councillor that the amount claimed relates to Council related activities.

If the mobile phone plan provided by Council imposes a surcharge for low usage, the surcharge will be regarded as rental costs and not deducted from a Councillor's allowance. If the cost of calls made from a Council provided mobile and / or landline are less than \$5.00 for any one month, that cost will **not** be deducted from the Councillor's allowance as the administrative cost of deducting that charge more than offsets the return to Council.

Where Council provides phone or fax lines to Councillors, those numbers will be available for publication in Council documents and media.

#### 2.2 SPECIFIC PROVISIONS FOR MAYORS AND COUNCILLORS

#### 2.2.1 Travel Arrangements and Expenses within the Region

Councillors will receive reimbursement for the cost of using their private vehicle for travelling in accordance with rates set by the ATO (refer 2.1.2), within the region for attendance at:

- Meetings of Council
- Meetings of committees of Council (whether a committee member or not)
- Council inspections in compliance with Council resolutions
- Council business in compliance with Council resolutions
- Civic functions where representing the Mayor
- Meetings with Council staff within the shire
- · Meetings at the Council Chambers with constituents and
- Other approved functions, seminars etc as outlined elsewhere in this policy

The General Manager, in consultation with the Mayor, shall prepare a weekly list of approved meetings / events for which travel by Councillors shall be reimbursed. Councillors who wish an event to be included on this list should forward details to the General Manager a minimum of one week in advance.

Page 3 of 9

#### 2.2.2 Travel outside the region

Travel outside the region is to be approved by Council, excluding the Mayor as per clause 2.2.3 of this policy.

The class of air travel to be used by a Councillor will be economy travel for journeys not exceeding five hours, and business class for continuous journeys (not including overnight stopovers) in excess of five hours.

Should a Councillor elect to use their vehicle to undertake such travel, or to travel via a non-direct route, travel expenses will be paid equivalent to an airfare to the destination or payment at the ATO rate per kilometre, whichever is the lower (refer 2.1.2).

Council will pay actual costs of overnight accommodation and the costs of all meals where those meals are not provided as part of the meeting, conference, seminar or engagement fee, subject to the limits identified within this policy (refer 2.1.2).

#### 2.2.3 Attendance at Seminars and Conferences

The General Manager, in consultation with the Mayor, is able to approve attendance by Councillors at seminars and conferences within the region. Attendance at seminars and conferences outside the region is to be approved by Council. The only exceptions to this are:

- the Chairperson of Council's Airport Committee is entitled to attend quarterly meetings of the Australian Airports Association, including the National Conference; and
- the Mayor is also entitled to attend seminars and conferences outside the region, subject the matter being reported to Council at the next available Ordinary Meeting.

## 2.2.4 Attendance at Functions and Events not organised by Council

To assist the Mayor in undertaking his / her responsibilities Council will provide reimbursement of travel and entrance expenses where the Mayor is invited, in his / her official capacity as Mayor, to attend functions and events that are not organised by Council. For a function / event to be approved the Mayor must be invited to attend in his / her official capacity as Mayor.

A Councillor, invited by the Mayor to attend an event on behalf of the Mayor, will also be eligible for reimbursement of travel and entrance expenses.

Approval will only be provided for events within the region.

Consideration will be also given to meeting the cost of Councillors' attending, including travel and entrance fees, at non-Council functions / events etc which provide briefings to Councillors from key members of the community, politicians and business organisations. Approval to meet these expenses will only be given when the function / event is relevant to Council's interest and attendance at the function is open to all Councillors. Any approvals provided will be circulated weekly to Councillors.

#### 2.2.5 Spouse and Partner Expenses

Where the Mayor and / or Councillor is required to attend a function / event etc on behalf of Council, and the nature of the function is such that the person's spouse, partner or accompanying person could reasonably be expected to attend, Council will meet their reasonable expenses, eg ticket, meal and or direct cost of attending the function.

If a service is shared between a Councillor and spouse / partner, the expense associated with that service will be reimbursed as long as the expense did not increase due to the attendance of the spouse / partner. An example of this may be accommodation where the cost of the room is the same with or without the attendance of the spouse / partner.

#### 2.2.6 Training and Education Expenses

Council will make an annual allocation within the budget for training and educational expenses for Councillors. This allocation will be treated as a lump sum figure able to be accessed by all Councillors. There will not be a specific allocation per Councillor.

Approved training and education programs must be consistent with Council's Councillor Training & Development Policy. Refer to that policy for further details.

Reimbursement of expenses relating to a Councillor's attendance at training and education programs will be made in accordance with the provisions of this policy.

#### 2.2.7 Telephone costs and expenses

Each Councillor shall be entitled to:

- Payment of monthly rental of a Council approved telephone line
- Call charges up to the monthly limit as determined within this policy (refer 2.1.2).

#### 2.2.8 Carer and other related expenses

#### a) Councillor as a carer

Where a Councillor has to act as a primary carer Council will reimburse the reasonable costs of the carer arrangements, including childcare expenses, care of the elderly, disabled and/or sick immediate family members.

#### b) Councillor requiring care

Where a Councillor requires a primary carer while undertaking approved Council business, Council will reimburse the reasonable costs of that carer.

## 2.2.9 Miscellaneous Expenses

Each Councillor is entitled to have one Northern Star newspaper delivered to their home each day or made available at a mutually convenient point should a home delivery service not be available.

Page 5 of 9

#### 2.2.10 Insurance expenses and obligations

As a minimum Council will provide the following insurance cover in respect to Councillors for matters arising out of Councillors' performance of their civic duties and / or exercise of their Council functions:

- Public liability (covers councillors for negligence arising from day to day Council activities)
- Professional Indemnity (covers Councillors for errors and omissions relating to their Council activities)
- Personal Accident (covers Councillors and partners for bodily injury whilst travelling to and from any local government activity or business)
- Councillors and Officers (covers Councillors for any civil claims arising out of their normal actions as a Councillor)
- Statutory Liability (covers Councillors for their liability to pay fines which may arise out of innocent breaches of the many Acts which control Council's operations

All these insurances are subject to the limitations and conditions set out in each respective policy.

### 2.2.11 Legal expenses and obligations

Legal expenses incurred in relation to proceedings arising out of the performance by a Councillor of his or her functions under the Act are to be distinguished from expenses incurred in relation to proceedings arising merely from something that a Councillor has done during his or her term in office. An example of the latter is expenses arising from an investigation as to whether a Councillor acted corruptly by using knowledge of a proposed rezoning for private gain.

Council may disburse money only if the disbursement is authorised by the Local Government Act 1993. Therefore, if a Councillor has a legal matter that they believe merits assistance, then that matter is to be reported to Council for determination.

In considering such a matter Council will be guided by the contents of Department of Local Government circular 05/08 *"Legal assistance for councillors and council employees".* 

#### 2.2.12 Representation on Joint Regional Planning Panel

Council will pay the NSW Department of Planning's maximum recommended fee per meeting for Councillor representation on the Northern Region – Joint Regional Planning Panel (currently \$600 per meeting).

## 2.2.13 Use of Staff Resources to Assist Councillors at their Private Residence

The General Manager is entitled to authorise Council staff to attend a Councillor's residence to assist in resolving a Council related matter. However this approval can only to be given in the following circumstances:

 The Councillor must declare that the matter is directly related to Council business; and

Page 6 of 9

- It has been assessed by the General Manager that the issue can be resolved relatively quickly; and
- There will be no additional expense incurred by Council in providing that assistance; and
- The work environment must be considered safe from an occupational health and safety perspective; and
- The General Manager is of the opinion that the use of the Council staff resource is the quickest and most effective method to resolve the matter.

#### 2.3 ADDITIONAL MAYORAL EXPENSES

The Mayor is not entitled to the reimbursement of any additional expenses, other than being able to undertake certain levels of travel and attendance at seminars, conferences and training courses, without prior approval, as per clause 2.2.

## PART 3 - PROVISION OF FACILITIES

#### 3.1 GENERAL PROVISIONS

#### 3.1.1 Provision of Facilities Generally

Facilities provided to the Mayor and Councillors will generally relate to telecommunications to ensure that all Councillors are readily accessible to the community and Council.

#### 3.1.2 Private use of Equipment and Facilities

In accordance with Council's Code of Conduct, any resources provided, under this policy, or otherwise, shall not be used for private purposes. Nor shall such resources be used for political purposes, i.e. Council elections and the like.

## 3.2 PROVISION OF EQUIPMENT AND FACILITIES FOR COUNCILLORS

#### 3.2.1 Telecommunications including Internet

Each Councillor shall be entitled to:

- Installation of one home telephone line to enable either telephone or facsimile connection
- Provision, maintenance and consumables for a multi function centre at each Councillor's premises for Council use
- Provision of a caller-id unit
- Provision of tablet technology (i.e. IPAD or similar)
- Provision of a mobile telephone / smartphone
- Suitable hands free device for the Councillor's private vehicle

The above equipment will be provided to a standard as determined by the General Manager in accordance with Council approved budgets and the communication needs of Council. Internet services, in accordance with the Council's corporate internet service provider plan, will also be available to Councillors through the provision of the Council supplied smartphone and / or tablet computer.

Page 7 of 9

#### 3.2.2 Miscellaneous Items

Miscellaneous items each Councillor may receive are:

- Council business cards up to a maximum of 500 per annum
- CMA map
- Support of the General Manager's Personal Assistant on an as-available basis
- Access to a shared office space within the Council Chambers, including availability of photocopier, telephone, facsimile machine etc during Council office hours
- A Council name badge
- A Council blazer
- Standard stationery items on an as required basis

## 3.3 PROVISION OF ADDITIONAL EQUIPMENT AND FACILITIES FOR MAYOR

In recognition of the duties and responsibilities undertaken by the Mayor, Council will provide the following additional equipment and facilities:

## 3.3.1 Office Space and Support

Council will provide the Mayor with a dedicated office along with all support services such as phone, facsimile and consumables. The Mayor will also have access to the General Manager's Personal Assistant for secretarial services.

#### 3.3.2 Motor Vehicle

Council will provide the Mayor with a Council motor vehicle for Council and private use. In the event of the vehicle being used for private use Council shall set any contribution level from time to time. The current contribution rate is nil, subject to the following clause:

A fuel card is provided for refuelling from Council authorised facilities, however, during periods of private use any refuelling occurring outside a 200km radius from the Council administrative centre, must be paid for by the Mayor.

The maximum standard of the motor vehicle will be that of a Holden Statesman, Ford Fairlane, or equivalent.

#### 3.3.3 Telecommunications

Council will provide the Mayor an additional home telephone line, and rental thereon, if requested.

### 3.3.4 Qantas Club Membership

Council will provide the Mayor with an annual Qantas Club Membership.

#### 3.3.5 Car Park

Council will provide the Mayor with a dedicated car park at the Council Customer Service Centre.

Page 8 of 9

#### PART 4 - OTHER MATTERS

#### 4.1 ACQUISITION AND RETURNING OF FACILITIES & EQUIPMENT BY COUNCILLORS

All items provided to Councillors in accordance with the policy shall remain the property of Council. Items shall be returned to Council:

- Upon request of the General Manager for repair, replacement, maintenance or upgrade
- Immediately upon the Councillor ceasing to hold office for any reason.

Items will be replaced when uneconomical to repair, or in accordance with any Council policy or resolution from time to time.

## 4.2 COUNCILLORS CONTRIBUTING INTO SUPERANNUATION

In accordance with the ATO Interpretative Decision 2007/205, Council may enter into an arrangement with a Councillor under which the Councillor agrees to forego all or part of their annual fee in exchange for the Council making contributions to a complying superannuation fund on their behalf.

#### PART 5 - REVIEW

The LGA (s.252) requires Council to review this policy within five months of the end of each financial year.
