WUEA = Wollongbar Urban Expansion Area

NOTE 1: A credit for development is recognised for an existing approved allotment.

NOTE 2: The contribution rates for non-residential development are determined in accordance with the relevant Contributions Plans.

NOTE 3: Residential developments in rural areas are generally restricted to dual occupancy development.

NOTE 4: The Access & Transport Facility contribution rate shown for the WUEA is an approximation as the contribution amount is determined on the area being subdivided. It does not apply to subsequent residential building developments.

NOTE 5: Each Contribution is to be proportionally discounted to ensure the total Section 94 contributions remain under the NSW State Government Section 94 \$20,000 cap.

NOTE 6: The NSW State Government "affordability threshold cap has been increased to \$30,000 for Cumbalum Precinct A.

CAUTION: Some adjustments may be necessary to account for differences in the catchment areas used by different contributions plans.
